Bulletin 01-17

TO: CECCO Members and Associate Members

**WAYNE PETERSON APPOINTED
CECCO EXECUTIVE DIRECTOR**

The Executive Committee is pleased to announce the hiring of Wayne Peterson as our Executive Director. Most of you are familiar with Wayne as he was a past vice chairman with CECCO, a member of the Ontario Construction Secretariat Board and the past Executive Director of the Ontario Sheet Metal Contractors Association.

Wayne has a comprehensive background in construction. Before his association work with the OSMCA Wayne had an extensive career with H. H. Robertson first as a sheet metal worker working his way up to National Construction Manager and then moving to National Sales and Marketing Manager.

Please join me in welcoming Wayne.

Bryan Arnold
Chairman
