Dear _____,

As you know, the industrial-commercial-institutional construction (ICI) sector is currently in collective bargaining across the province, this includes [INSERT EBA DETAIL]. We join 24 other employer bargaining agencies (EBAs), representing the contractors who employ over 80,000 workers in the (ICI) sectors, in working to achieve 25 ratified collective agreements.

I want to assure you that we are focused on working hard at the bargaining table, to achieve (an) agreement(s) that reflect the critical role of trades in Ontario, the state of the infrastructure economy and that are fair to all parties, including contractors and customers.

Collective bargaining and the threat of a labour disruption can be stressful. You have our commitment that we will work hard to try and avoid a disruption. Further, where appropriate we will provide you with timely updates. In the meantime, sector-wide information can be found at cecco.org/bargaining.

Please do not hesitate to reach out should you have any questions.
