FOOTNOTE #1
Questions arise from time to time about dates of Application for Conciliation and dates of Appointment of Conciliation Officers (and scheduled meeting dates). Further, Officers may schedule single or multiple meetings. We receive information in various forms and we try to be as specific as possible with dates. If you have any questions, about what the date means, it is best to clarify.

FOOTNOTE #2
Legal Strike/Lockout dates are determined by the release date of a formal "No Board Report" letter from Conciliation. The meeting date which led to the formal Report is not normally important. Also, the Legal Strike/Lockout Date is, as it suggests, the earliest date that a legal strike or lockout can occur but it does not mean that a strike/lockout must occur on that date. That is why there is a separate column for that info.
