BULLETIN #14-24

Good afternoon.

I am pleased to advise that registration for the National Construction Labour Relations Alliance of Canada Inc.'s 2024 Fall conference is now open! This year's theme is **NEGOTIATING OUR FUTURE**, where we will diving deeper into collective bargaining matters for our industry.

We are hosting it at the Hilton Toronto in Downtown Toronto on October 1, 2, and 3rd, 2024.

Like our last conference, we will be hosting an opening reception on the evening of Tuesday October 1st, with two days of plenary sessions on October 2nd and 3rd. Incorporating feedback from the last conference, we have changed the structure to provide an open session for you to invite clients and other guests for the full-day session on October 2, 2024, where we have panel presentations on various topics affecting our industry. On October 3rd, the conference is closed to only contractors and employer bargaining agencies to provide our Cross-Canada update from our NCLRA members as well as an opportunity for the employer community to discuss and share issues and solutions on issues pertinent to the Canadian unionized construction and maintenance industry.

We are still seeking panelists, so that speakers list will continue to grow. If you or someone you know may be interested in joining a panel as an industry speaker, please let me know.

The [Conference Registration website is located here](#) or you may find a link from the [NCLRA's website](#).

Please note that the Early Bird registration prices are available only until July 31, 2024.
