BULLETIN #06-24

Good day,

We are planning a two consecutive day collective bargaining symposium. With several of our EBA's planning early exploratory meetings with their labour counterparts and busy months as we move into the fall it was determined that April is probably the optimum time to hold the symposium.

We are working with Forrest Inc. to develop a curriculum that will assist novice and well-seasoned negotiators in planning and effecting practices learned in this upcoming round of negotiations.

We would like as many participants as possible to attend with no limitations on the number coming from each Employer Bargaining Agency (EBA). We are currently looking at the week of April 8th or 22nd. A determination to dates being selected based on the EBA participation, the availability of an acceptable meeting facility and Forrest's presenters' availability.

To assist in our planning process please provide the following information.

Employer Bargaining Agency: _____

Please advise all the date for you and your attendees could attend.

Dates: April 9 & 10 _____

April 10 & 11 _____

April 23 & 24 _____

April 24 & 25 _____

Thank you.
